

Dear Neighbor:

The State of Connecticut's website for children, *ConneCTkids*, is now part of the official Connecticut state website at www.ct.gov.

You, and the children you love, can use the website to learn interesting facts about our state and about how our state government works. The site features links of interest to teachers, librarians and parents — as well as links that will appeal to children who enjoy games, puzzles and other types of fun educational activities. Adults may even sign up for e-alerts about news items and events of interest to parents, teachers and children.

Please take a few minutes to visit the *ConneCTkids* website. I think you will be delighted. You can access the site through the official Connecticut state site and click on the *ConneCTkids* logo on the left side of the page, or you can access the site directly at www.kids.ct.gov. Enjoy!

As always, I look forward to hearing from you. Please contact me anytime to discuss your ideas and concerns about the issues that are important to the 26th Senatorial District, and our state. I can be reached at my legislative office in Hartford at 1-800-842-1421 or by sending me at e-mail at Judith.G.Freedman@cga.ct.gov.

Sincerely,

Judith G. Freedman
State Senator – 26th District
